

Insurance does matter

Mission Statement

SONGA best in class insurance products and services that help provide innovative protection.

COMPANY PROFILE

ABOUT US

SONGA insurance company established in 2017, with its headquarters based in Erbil, Kurdistan, Iraq. With a humble beginning, it built its reputation to be one of the best insurance companies in the field of travel insurance and recommended by consulates, by providing the highest level of security to our client in most cost effective way and through our system that allows people and consulates to verify the reliability and effectiveness of the insurance policy online.

At the beginning of 2021 and after long studying and planning to insurance that our products meets with the international standards to give the best value for our client.

We have launched the other types of insurances that we will mention later.

Our Vision

Our vision to expand the range and area of service in slow and professional steps to continue in keeping our standards to bring the best value and protection to our clients to stay on the top of leading insurance provider in Iraq.

Our Main Focus

- . Ensure excellent customer service by team of young but experienced professionals who will assist in ensuring tailor-fit insurance.
- . Provide full transparency to our client.
- . Market knowledge and awareness to accomplish a unique service.

Service we provide

Insurance policies offer a semblance of support to minimize financial liability from unforeseen occurrences. List of insurance types that we provide :

1. Health Insurance
2. Car Insurance
3. Travel Insurance
4. Multi-risk housing insurance
5. Fire Insurance
6. Personal accident insurance
7. Marine Insurance
8. Engineering insurance

Health Insurance

Health insurance is one of the types of insurance against health risks that confront people's lives, and it includes the costs of examination, diagnosis and treatment, and psychological and physical support, and may also include coverage of absence from work for a certain period or permanent disability, which is one of the ways of delivering health care to individuals and groups.

Cars Insurance

This type of insurance covers damages that may occur to the insured vehicle as a result of an accident, as well as material damages to the property of others, and entails the responsibility of the insured to compensate for these damages.

Fire insurance

This insurance guarantees material losses and damages to the insured objects resulting from the dangers of fire and/or lightning, fire resulting from explosion and/or self-ignition, riots, civil disturbances, labor strikes, earthquakes, earthquakes, natural hazards, explosion of water pipes, loss or shortage of revenue or profits.

Marine Insurance

An insurance policy to cover the hulls of the transporting ships in addition to their equipment against the dangers that cause material damage, which may also extend to include civil liability towards the third party, crew and passengers.

Travel Insurance

Travel Insurance is a product specifically designed to suit the needs of individuals, executives and other staff or laborers who are required to make frequent trips outside the country

Covering the Following:

Emergency Medical Expenses

Evacuation & Repatriation

Emergency Dental Coverage

Catastrophe

Loss of Baggage

Flight Cancellation

Sea and Mountain Rescue in travel

Personal Liability

Personal accident insurance

This insurance covers the civil liability that the insured may be exposed to as a result of material damages that may be caused to others as a result of a fire that arises in the objects occupied and issued by the insurance and extends to their properties.

Miscellaneous accident insurance is divided into several types, including the following:

- Personal Accident Insurance
- breach of trust insurance
- Securing the transfer of cash (forced theft)
- Family protection and housing insurance
- Glass breakage insurance

Multi-risk housing insurance

To protect yourself against the financial effects of a evil, theft, water leakage, fire..., SONGA Insurance offers you a multi-risk insurance that effectively secures your home, your property.

If you witness the burning of your house, this is a shocking event, but despite the harsh experience, some measures must be taken quickly in order to benefit from the compensation:

- Notify the insured within the -5day period following the occurrence of the incident.
- Fill out a fire or explosion permit.
- Take photographs of authorized damages.
- Preserve the property damaged by the pest.
- Attending an experience procedure.
- Home insurance.
- Protection of the house against the vagaries of the weather.

Engineering insurance

It includes all contractor risks, all risks of swindling, covering the period of construction and erection works and the maintenance period, which conforms to the general conditions for contracting civil and mechanical engineering works at very reasonable prices, as well as insurance for boilers explosion, machinery failure and losses resulting from machinery failure, as well as insurance on electronic devices and computers.

Documents included :

- Boiler explosion
- All scam dangers
- All risks for contractors
- computer insurance
- Machine failure
- food spoilage
